Location: Dubai Office, Floor 14

Attendees: Sarah Al-Rashid (CEO), James Thornton (CFO), Layla Nasser (CTO), Omar Khalid (Board Member), Dr. Priya Mehta (Board Member)

1. Financial Performance

CFO James Thornton presented Q3 results. Revenue came in at \$2.41M, representing a 14% increase over Q3 2023. Operating expenses were \$1.87M, yielding an EBITDA margin of 22%. Cash reserves stand at \$4.2M.

The board approved a Q4 revenue target of \$2.8M. The motion passed unanimously.

2. Product Roadmap Update

CTO Layla Nasser reported that the v2.0 platform release is on track for November 12, 2024. Key features include real-time analytics dashboard, API rate limiting improvements, and mobile app redesign.

The board allocated an additional \$120,000 to accelerate the mobile release.

3. Hiring Plan

The board approved headcount expansion of 4 engineers and 1 sales lead before year end. Total headcount will reach 23 by December 31, 2024.

Salary budget for new hires is capped at \$680,000 annually.

4. Risk Register

The CFO flagged two items: exposure to USD/AED fluctuation on the enterprise contract pipeline, and a pending regulatory review in the EU market expected Q1 2025.

The board voted to engage external legal counsel. Budget approved: \$45,000.

5. Next Meeting

Scheduled for December 11, 2024 at 10:00 AM Gulf Standard Time.

Meeting adjourned at 3:45 PM.
